

October 22, 2011 STAR NIGHT EVENT

Catalina State Park, Tucson

*Please join us for an exploration
of the wonders of the night sky
through astronomers' telescopes!*

Program starts at sunset (6:30 pm)

Astronomers will answer questions and discuss the elements of the night sky as darkness descends.

Where to Meet

Main trailhead parking lot at Catalina State Park.

What Will We See?

When the night sky arrives, astronomers will volunteer their expertise and telescopes for visitors to view an assortment of night sky attractions including star clusters, galaxies, and nebulae

What to Bring

Folding chair, a red light (mini red LED flashlights will be available for a small donation; red light protects everyone's night vision), sweater or jacket (temperatures will drop quickly after sunset), & enthusiasm to enjoy and conserve our beautiful night skies!

Entrance Fees

\$7 per vehicle (up to four adults). Online camping reservations are available (additional fee).
